Halloween Trick or Treat for the City of Milwaukee has been designated for **Sunday, October 30, 2016, from 1:00 pm to 4:00 pm**. Therefore, we encourage both children and adults to think about the following safety tips below on this annual day event.

Before children start out on "Trick or Treat" rounds, parents should make sure that:

- When designing costumes, keep safety in mind to ensure that the children have a fun-filled and safety-filled Halloween.
- Costumes are loose enough so that warm clothes can be worn underneath to allow freedom of movement in the event of cold weather.
- Costumes are not too long that they are a tripping hazard, when walking or climbing steps to the front door to get their treats.
- Consider using makeup instead of a mask so that a child's vision will not be blocked when walking on the sidewalk or crossing the street.
- For youngsters under the age of 12, attach their name, address and telephone number (including the area code) to their clothes, but not in an easily visible place.
- Children travel only in familiar areas, along a prearranged route, and instructed never to a stranger's home.
- A return time has been established.
- Explain to youngsters not to eat any treats until you have inspected it. A meal or a snack beforehand will help deter them from digging into their candy.

Motorists should be alert to the following driving tips:

- Slow down in residential neighborhoods and obey all traffic signs and signals.
- Watch for children walking or running near roadways.
- Be prepared for children to dart out into the street at any time, especially from between parked cars.
- Enter and exit driveways and alleys carefully.
- Everyone riding in the vehicle should have the proper safety seat restraints on. (Seatbelt, or child safety seat)

Please make copies of the enclosed Halloween Flyer, for your students and for more information, please call the Milwaukee Police Department Safety Division at 414-935-7990, or visit the Milwaukee.gov website.
