

Thank you to Our 2021 Auction Donors & Sponsors

Like many parishes and non-profits this year, the auction was our first attempt at a virtual fundraising event. We are grateful to the exuberant bidders, cash donors and sponsors who made this auction successful in reaching our goal.

The committee was unsure of how pivoting to an online event would be received. But, the Sebs spirit proved truly alive with 219 people signing up to place 1,565 individual bids throughout the weeklong online auction. The item, Sugar Cookies by the Dozen, drew the most active bidding with 82 bids. The top three items drawing the highest bids were the MacBook Air, the Room Painting Opportunity and Broken Bat Brewery Fun. One of the most humbling attributes of the event was that nearly every one of our parish ministries played a role in this year's auction. Our parishioners are amazing – thank you to all who tuned in for the finale event and responded generously.
